

Dear Athlete,

It is with great pleasure and excitement that we welcome you to Netball America's elite pathway. Congratulations on being selected to join our team of dedicated and talented athletes.

As a Stripes and Stars athlete, you are joining a community committed to excellence, teamwork, and personal growth. Our program is designed to provide you with the resources, support and opportunities to develop your skills, reach your full playing potential, and achieve your goals both on and off the court.

Throughout your time with us, you will have access to experienced coaching, domestic and international playing opportunities, and a supportive network of teammates who share your passion for the sport. Together, we will strive for greatness, compete fiercely and celebrate our successes as a united team.

We understand that being a part of an elite program requires dedication, hard work, and sacrifice, but we believe that the rewards far outweigh the challenges. Your commitment to excellence and your passion for netball have brought you to our program and we have no doubt that you will thrive in this environment.

As you begin this exciting chapter, remember to embrace every opportunity, learn from every experience, and never lose sight of your netball dream. We are here to support and encourage you every step of the way. We cannot wait to see all that you will accomplish as a member of the American Netball Team® 'The Strength of Many, The Heart of One'.

Once again, welcome to the team! Let's make this season one to remember.
