SPONSOR AND COMMUNITY PARTICIPATION

The team has been working hard with local communities to obtain their support for these Final Game Days. We are excited to announce that teachers, students, youth and others have committed to attending the Final Game Day. Our other program leaders are working on their participation and will have more information shortly. As a reminder, a big part of this league is for teams to welcome Americans to these events in order for them to see Netball at this level and participate in development opportunities. For eg. we are excited the Be An Inspiration Youth will be joining the Atlanta session bringing their families and friends.

LOOK OF VENUE

Teams will ensure to abide by the look of venue. This will ensure the event banner is displayed courtside. The sponsor balls will also be used. The tablecloth will be used, and all umpires will wear the umpire shirt provided. Relevant photos of participants wearing the shirt, holding the sponsor balls, along with the event banner will be included in all team photos.

The Game Day Manager will be briefed on the look of venue guidelines from the Netball America® national brand guidelines policy.

No other banners or sponsor logos shall be displayed, without prior authorization from the Committee.
