This is a big win to have Netball America recognized by the Women's Sports Foundation and has opened the door for future grant opportunities.

Get ready for the hottest Netball event of the year - registration is open [here](#). Register by September 30th for your teams chance to win a set of Netball posts.

Well, Netball certainly was the talk at Staples Center on September 10th. Congratulations to both teams, especially the u/18's who put on a real performance for the crowd. Check out photos [here](#).

Netball America will also be on the road in October and November speaking at various teacher conferences around the country.

September 9th marked a special occasion - as part of the 9/11 anniversary, Netball America in conjunction with the NYC Housing Authority, and one of the largest global audit, tax and advisory firms KPMG hosted a volunteer event with 35 volunteers and 75 kids in Brooklyn, NY. The aim of the event was to work with youth to get them moving.

Happy Playing!
